A public school district is required to utilize a portion of its Federal Part B special education funds in order to provide students with disabilities who attend private schools within the district the opportunity to equitably participate in special education and services offered by the district.

The purpose of this meeting is to discuss our plans for providing services to students with disabilities who currently attend your school. We also wish to share additional information pertaining to **Title I**, **Title II** and **Title III** funding.

Please RSVP to Natalie Spolsky by Tuesday January 19, 2021 at 708-952-4292. Thank you for your willingness to participate in this process.
